

If you take the EXTRATERRESTRIAL PRESENCE seriously, you are in GOOD COMPANY.

"It is time for the truth to be brought out in open Congressional hearings ... through official secrecy and ridicule, many citizens are led to believe the unknown flying objects are nonsense."
Roscoe H. Hillenkoetter, former CIA Director, USA

"The sons of God are everywhere. Sometimes we have difficulties in recognizing our own brothers."
Pope John XXIII (1881-1963), Pontiff, Roman Catholic Church

"I happen to be in on the fact that we have been visited on this planet and [that] the UFO phenomenon is real."
Edgar D. Mitchell, Apollo 14 astronaut, USA

"Some of the things I know I'm not supposed to say, because they will never tell me anything anymore, but I am certain that contact has been made."
Ervin László (1932-), philosopher of science, systems theorist, integral theorist, Hungary

"I personally believe that [President] Eisenhower did indeed meet with ... extraterrestrial, off-world astronauts."
Henry W. McElroy Jr., former New Hampshire State Representative, USA

"They could have done a lot more damage, permanent damage, to our weapons systems, and they didn't ... so I personally don't think this was a hostile intent."
Robert Salas, former US Air Force missile launch officer, USA

"They are men, and certainly better than us because of their tolerance and patience demonstrated in the face of our atomic madness."
Alberto Perego (1903-1981), Consul, Italy

"They are people like us. ... I talked with them. I understand that we are not alone..."
Kirsan Ilyumzhinov (1962-), former President Republic of Kalmykia, Russia; FIDE President

"Man throughout the Universe resembles us... The experience I have had of them permits me to

affirm that in them the good sentiments are enormously strong, while the bad sentiments are almost entirely absent."

Bruno Ghibaudi, science and aviation journalist, Italy

"They were incapable of causing harm to anyone. Even their devices would refuse to harm anyone... Spirituality to them is the basis of everything. They see God even in the smallest insect."
Bruno Sammaciccia (d.2003), theologian and psychologist, Italy

"They stand by ready and willing to render help. In fact, they already helped us a great deal, along the lines that do not interfere with our freedom of choice."

Wilbert B. Smith (1921-1962), government researcher, Canada

"There is no doubt in my mind that the star visitors would give us the technology necessary to save the planet if we asked them to."
Paul T. Hellyer (1923-), former Defense Minister, former Vice Prime Minister, Canada

These and many more testimonies and corroborations in a revealing new book by Gerard Aartsen:
