

GERARD AARTSEN

Author – Speaker – Researcher

Background

Gerard Aartsen (1957) is an author, speaker, researcher and educator from Amsterdam, the Netherlands. He has a Master of Education degree from the Amsterdam University of Applied Sciences where he continues to coach students in their teaching practice. He has also been a lifelong student of the Ageless Wisdom teaching and is the author of four books on the subject of the extraterrestrial presence. His books have been translated and published in various languages and his articles have appeared in magazines around the world. Gerard is a frequent guest on international radio shows about UFOs and related subjects, and has lectured about his work in America, Europe and Asia. He is the first to explicate a method for qualitative research into contact claims.
